Details of Technical Particulars, copies of which are annexed here to and which under the terms there of are to be supplied, executed and done by the contractor and to perform and observe the provisions and agreements or the part of the contract contained in or reasonable to be referred from the said tender documents for the same and at the rates sets out in Schedule-I annexed hereto.

The complete tender document is also enclosed herewith duly signed on every page by the undersigned.

Signed thisday of2015.

Yours Faithfully,

TENDERER'S SIGNATURE (With seal)

TENDERER'S ADDRESS:

PART I – TECHNICAL BID

I. Minimum Criteria for Bidding

The bidder must have following minimum criterion for bidding:

- a. The bidder must have contractor registration card, copy to be enclosed.
- b. All the documents enclosed along with the tender document must be in English.

II. Experience of the Bidder

A comprehensive list of past projects implemented indicating clients, dates, size of projects and any other relevant material should be included in the offer. Priority shall be given to bidders with past experience.

III. INSTRUCTIONS, TERMS AND CONDITIONS:

- 1) The tender should be in three parts viz. Part I, Part II as described in Clause 2 below. These should be in separate envelopes duly super-scribed as Part I and Part II, NIT No. and due date. Sealed envelopes containing all the three parts should then be placed in a larger envelope, which should be sealed, and super-scribed by the given NIT No., due date and name of the tenderer.

Clause 2

- 2) **PART I:** - Part I of the tender should be super-scribed as “**Part I, Technical Details for NIT No 04 of 2015 (SITE 3 LINGSHED)**” and should contain

Technical Details:

- a) The bidder must have civil contractor registration card
 - b) The bidder must submit the undertaking/certificates for the works
 - c) The bidder must enclose the tender document duly signed and sealed on each page as confirmation of the acceptance of Terms and Conditions
- 3) **PART II:** Part II of the tender should be super scribed as “**Part II, Price Bid for NIT No 04 of 2015 (SITE 3 LINGSHED)**” and should contain the price bid for the product as per the bill of quantities & strictly as per the price bid format given in the NIT. The price quoted should be inclusive of all taxes.
 - 4) The tender should be addressed to **The Project Director, LREDA-LAHDC, Leh**. Both inner and outer covers duly sealed and superscribed and sent either under registered cover or cast in the tender box kept in the office of the **Project Director, LREDA-LAHDC, Leh**
 - 5) The tenderer shall ensure timely receipt of tender in the office of the **Project Director, LREDA-LAHDC, Leh**, the tenders received by hand or by post after due date of receipt of tenders shall not be entertained even if the tender has been posted/ dispatched much before the due date of receipt.
 - 6) The tenders will be opened on 21-06-2015 in the office of **The Project Director, LREDA-LAHDC, Leh**, on the date of opening of the tenders only the technical and the commercial parts (part-I) shall be opened in the presence of the tenderers who may be present, the price bid (part-II) shall be opened only in case of such tenderers who on scrutiny of part-I of their offer are found to have qualified for opening of the price bid

on the same day at the Deputy Commissioner's office or any other day at the discretion of the purchasing committee. In case the due date of opening of the tenders falls on a holiday being declared subsequently, the tenders will be opened on the next working day.

- 7) Tenders must be complete in all respects; all the terms and conditions of tender including the technical specifications should be carefully studied for the sake of submitting complete and comprehensive tender documents. Failure to comply with any of terms and conditions or instructions of the offer with insufficient particulars which are likely to render fair comparison of tender as a whole impossible may lead to rejection even if otherwise it is a competitive offer/tender.
- 8) Telegraphic tenders or the tenders of such tenderers who have not purchased tender document shall not be entertained. Any request by post or by hand or telegraphically for any modification addition or deletion etc. in the tenders shall not be considered.
- 9) The tenders shall be prepared in a formal manner with all quotations written both in figures & words. The tenders shall be typed or written in ink, any tender written by pencil shall be rejected. There shall be no erasures or overwriting and if corrections are made the same shall be neatly done and attested. A systematic form of totaling shall be adopted to avoid any ambiguity. The detailed description of the equipment offered shall be given Rank charge, if any shall be debited to the account of the tenderer.
- 10) The tenderer shall furnish an affidavit duly attested by notary that design of their equipment is free from legal encumbrances and that no legal case of any kind of litigation regarding the patent design is pending in any court of law.
- 11) No tenderer unless otherwise specified in these specifications, terms and conditions shall be exempted from depositing earnest money.
- 12) No claim shall be laid against the department either in respect of interest or depreciation in value for the amount of security deposit and or earnest money. In the case of bank deposits the department shall not be responsible for any loss on account of failure of the bank.

IV. SPECIAL INSTRUCTIONS:

- a) Tenders not submitted on the lines indicated above are liable to be rejected without any correspondence.
- b) Request for extension in last date of receipts of tenders shall be ignored.
- c) The purchaser reserves the right to order additional quantity or reduce the quantity of the material advertised at the time of placement of order for which the quoted rate shall be valid.
- d) All legal proceedings in connection with the order, tender will be subject to the jurisdiction of local court of Jammu and Kashmir State alone.
- e) The purchaser reserves the right to divide the order between two or more tenders for 100% achievement.
- f) In case of any doubt, dispute or differences arising out of the contract, the same shall be referred to the Finance Commissioner (Planning) and Ladakh Affairs Department, J&K Government for the decision under J&K State Arbitration Act.
- g) The purchaser shall not be bound to accept the lowest or any tender and reserves to itself the right of accepting the whole or a portion of any of the tender, as it may deem fit, without assigning any reason thereof.
- h) Any form of canvassing by the tenderers to influence the consideration of their tender shall liable to summary rejection.
- i) In order to avoid delay caused by postal correspondence and to expedite the process, the purchaser may require the successful tenderer to hold technical & commercial negotiations and convey the decision/acceptance on behalf of the tenderer, with the Purchase Committee.

- j) The condition hereafter deal with systems details and supplementary conditions of the contract in addition to those stipulated in foregoing clauses which along with schedules and annexure, shall be deemed to form part of detail specification for equipment. The tenderer are advised to study and familiarize themselves with the terms & conditions of the tender.
- k) The tenderer is required to submit a statement of facts in details as to their previous experience in performing a similar or comparably work and business and technical similar or comparable work and business & technical organization. Financial resources and manufacturing facilities available to be used in performing the contract.
- l) Force majeure clause shall apply.
- m) No other conditions except those mentioned above will be acceptable.
- n) Offers not complying with the delivery schedule shall be considered non responsive and shall not be evaluated
- o) Offers not providing clause by clause compliance shall be considered non responsive and shall not be evaluated
- p) Offers not submitted as per price bid format shall be considered non-responsive and shall not be evaluated,

V. EARNEST MONEY:

- a) Tenders shall be accompanied with the earnest money **Rs.32,000.00 (Rupees Thirty Two Thousand only)** in the form of CDR/FDR/DD pledged to the Project Director, LREDA-LAHDC, Leh.
- b) Tenders not accompanied with the required amount of earnest money will be rejected and their price bid shall not be opened.
- c) The earnest money of the tenderers shall be forfeited if they withdraw their tender or raise the prices of their offer within the validity period. The earnest money shall also be forfeited in case of the tenderers who do not comply with the purchase order placed on them within the validity period of the offer or violate any terms and conditions contained herein for this, purchase order shall be deemed to have been placed from the due date of letter of intent.
- d) Earnest money deposit shall be released in favour of the unsuccessful tender(s) within one month after the final acceptance of the tender.

VI. INSPECTION AND APPROVAL

- a) All Works embracing more than one process shall be subject to examination and approval. The Contractor shall give due notice to the Project Director or his authorized representative when each stage is ready. In default of such notice, the Project Director shall be entitled to appraise the quality and extent thereof.
- b) No Work shall be covered up or put out of view without the approval of Project Director or his authorized representative and the Contractor shall afford full opportunity for examination and measurement of any work which is about to be covered up or put out of view and for examination of foundations before permanent work is placed thereon. The Contractor shall give due notice to the Project Director or his authorized representative whenever any such work or foundation is ready for examination and the Project Director or his authorized representative shall without unreasonable delay, unless he considers it unnecessary and advises the Contractor accordingly, attend for the purpose of examining and measuring such work or of examining such foundations. In event of the failure of the Contractor to give such notice he shall, if required by Project Director, uncover such work at the Contractor's expense.
- c) Department officers concerned with the Contract shall have powers at any time to inspect and examine any part of the Works and the Contractor shall give such facilities as may be required for such inspection and examination.

VII. SUB-CONTRACTS:

- a) The contractor shall not sublet any portion of the contract without the prior written approval of the Project Director, LREDA.

VIII. TAX:

- a) The rates offered by the tenderer construction of civil works should be inclusive of all taxes, F.O.R. at the site.
- b) In case of failure to deliver in full the required work on order, the purchaser shall have the right to make a risk purchase at the cost of supplier and/or cancel the contract and claim reasonable compensation/damages. The contract of work shall be repudiated if the works are not made within the prescribed period and to the satisfaction of the purchasing officer.

IX. TIME OF COMPLETION:

- a) The bidder shall indicate delivery time along with the offer and shall be mutually agreed at the time of order finalization.

X. VALIDITY:

- a) The tender should be unconditionally valid for a period of six months from the date of opening of the tenders. The quoted price as such shall be firm and not variable with the market price. The rates approved as per the NIT year would be valid for further works during the validity period. Any tenderer revising the offer within the validity period, without prejudice to other remedies available with the department is likely to be blacklisted.

XI. PAYMENT SCHEDULE:

- a) The Contractor shall submit all the bills on the Performa prescribed by the LREDA Engineer-in-Charge
- b) The payment due to the contractor shall be made within 30 days of the submission of the bill by the contractor and the measurements shall be verified by LREDA Engineer-in-Charge or his representative within 10 days of submission of the bill. The payment shall be made from the LREDA office.
- c) The bill shall not be entertained if the gross amount of the work done including secured advance payable is less than Rs. 5.00 Lacs except final bill.

XII. CANCELLATION OF THE CONTRACT (in full or in part)

If the contractor:

- a) At any time makes default in proceeding with the works with due diligence and continues to do so after a notice in writing of 7 days from the Project Director. Or
- b) Commits default in complying with any of the terms and conditions of the Contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Project Director. Or
- c) Fails to complete the works on or before the date of completion and does not complete them within the period specified in a notice given in writing in that behalf by the Project Director.
- d) Shall offer or agree to give to any person in LREDA's service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or for

bearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this Contract. Or

- e) Shall enter into a Contract with LREDA in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the terms of payment thereof have previously been disclosed in writing to the Project Director. Or
- f) Assign, transfer, sublets or attempts to assign, transfer or sublet the entire Works or any portion thereof without the prior written approval of the Project Director, the Project Director may without any prejudice to any other right or remedy which shall have accrued or shall accrue thereafter to LREDA by written notice cancel the contract as a whole or only such items of work in default from the Contract.

The Project Director, LREDA shall on such cancellation have powers to:-

- g) Take possession of the Site and any materials, constructional plant implements, stores, etc. thereon,
- h) Carry out the incomplete work by any means at the risk and cost of the Contractor.
- i) On cancellation of the Contract in full or in part the Project Director shall determine, what amount if any, is recoverable from the Contractor for the completion of the Works or part of the Works in case the Works or part of the Works is not completed. In determining the amount, credit shall be given to the Contractor for the value of the work executed by him up to the time of cancellation, the value of Contractor's materials taken over and incorporated in the work, and use of tools and machinery belonging to the Contractor.

XIII. CONTRACTORS, REPRESENTATIVES, AGENTS AND WORKMEN:

- a) The contractor shall employ only Indian Nationals and verify their antecedents and loyalty before employing them on the work. He shall ensure that no person of doubtful antecedent and nationality is in way associated with the works.

XIV. PENALTY:

- a) In case of failure on the part of the tenderer to make supplies and execute the work in full, part thereof within the delivery schedule stipulated in the work order, penalty @ 0.5% per week of undelivered portion subject to a maximum of 15% of the cost of undelivered portion shall be levied.

XV. CHANGES:

- a) No variation or modification or waiver of any of the terms and provisions of these specifications shall be deemed valid unless mutually agreed upon in writing by both the purchaser and the supplier.

XVI. SUSPENSION OF WORK:

The contractor shall on receipt of the order in writing of the Engineer-in-Charge, suspend the progress of the work or any thereof for such time and in such manner as the Engineer-in-Charge may consider necessary for any of the following reasons.

- a) On account of any default on part of the Contractor, or
- b) For improper execution of the Works or part thereof for reasons other than the default of the Contractor, or

The Contractor shall during such suspension properly protect and secure the Works to the extent necessary and carry out the instructions given on that behalf by the Engineer-in-Charge.

XVII. POWER SUPPLY

- a) Electricity required for the work shall not be given by LREDA and same has to be arranged by the Contractor.
- b) No extra payment towards connection arranged shall be made by LREDA.

XVIII. AGREEMENT:

- a) The successful tenderer(s) shall be required to execute an agreement on a valid stamped paper for strict compliance of the terms and conditions of the contract, vis-à-vis the NIT and the supply order within seven days of placement of the order.
- b) Contractors tender including the letters of clarifications between the Contractor and LREDA prior to the award of contract shall form a part of the Contract Agreement.
